Speaker, Author, Entrepreneur

The moment you realize that your walk & life needs purpose, your thoughts and actions will begin to change.

Who is Kimberly Nicole Johnson? A GOD-fearing Author, Widow, Mom, Nana, Daughter, Sister, Friend, Entrepreneur, and Breast Cancer Survivor.

Speaking Engagements:

In 2004, Kimberly and her husband, Devan, established Incredible Creations Beauty & Barber Salon. It was Cincinnati's first black owned and operated business in Over The Rhine. Kimberly has taken the role of salon owner to another level as a platform artist, educator and mentor. She and Devan worked together each day as one. They were best friends. Neither Kimberly nor Devan had an idea regarding what they were about to face...

In 2014, Kimberly fought and WON her fight with breast cancer, with Devan by her side every step of the way. He never left her to do it alone and she never thought that she would lose him suddenly just 2 years later in September of 2016. Kimberly thought that she had just faced the toughest battle of her life as she beat cancer. She decided that it was time for her to rise from the storm and walk authentically in her purpose! GOD showed her how to "Unleash The Power Of Greatness" within.

Kimberly has been thrust into her purpose of being an author and motivational speaker sharing her story of triumph and strength. She shares, motivates and inspires others to believe that a happy, fulfilling life is possible after facing heartache. Life can, and will, go on and it will be amazing despite what the past looks like. She emphasizes with her audiences that your past does not have to dictate your future. Kimberly role models how to be authentic, walk in truth, live in the moment and to just BE.

PURPOSE: How does one move on after experiencing some of life's most difficult moments? How will you know when you aren't living a fulfilled life? What will it take for you to walk in your authenticity? These are the questions that Kimberly can answer for you!
